CSL TAHOE-TRUCKEE THIS WEEK

Sunday Morning
April 27, 2025

Can We Talk to God?
with Rev Rick Kearney

In Reverend Rick's most recent talk, he discussed *The Still Small Voice*, when God talks to us. Now, in this week's talk, Rev Rick will be teaching about how **we** can talk to God.

Based on Ernest Holmes' book, *Can We Talk To God?*, Rev. Rick's message will focus on the ways that mystics use to communicate and find a deep connection with the Divine. His insights and personal examples are bound to help *you* on your spiritual journey.

Come, be with friends!

Rev Rick

Reverend Rick is back in the house these days and boy are we glad to see him! Rev Rick's talks have a way of touching into the heart of the soul. When the speaker brings tears to your eyes, you know he is tapping into something you needed to hear.

Deeply committed to his own practice, Rev Rick lives a life fully in service to others in his job as Chaplain at Tahoe Forest Hospital where he comforts and grief counsels families in need on a daily basis. We can think of no better person for this roll. Rev Rick is a blessing to the Tahoe community at large and a blessing to our Center as well!
